

Job Description

Job Title: Planting Operator
Direct Supervisor: Owner or Designated Supervisor

Job Purpose

The qualified applicant applying for a Plating Operator position with Pitstick Farms must possess a valid state drivers license and be insurable with our insurance company. The qualified applicant must be at least 18 years old and have a minimum of 2 years experience of farm equipment operation. The qualified applicant must be able to demonstrate his/her ability to be able to drive and maneuver farm equipment seamlessly. This position will require the employee to work long hours and weekends during planting season.

Requirements for the position are:

- Minimum of 2 years experience with farm equipment operation
- Hold a valid drivers license
- Must be 18 years or older
- Be able to pass a drug screening test
- Must be insurable
- General work hours will be Monday – Saturday and the hours will vary depending on the scheduled workload and weather. During the planting season the employee may be required to work Sundays and long hours.

Additional responsibilities include:

- Hauling seed to varying locations
- Conduction daily inspections on farm equipment (i.e. oil levels, other fluid levels, tires, greasing, etc)
- Maneuvering and handling equipment in a safe manner
- Cooperating with fellow colleagues and home office

- Operator is responsible for keeping their farm equipment clean and presentable. The operator is to notify his/her supervisor of any issues surrounding the performance or condition of the equipment

Any damages caused by negligence, or carelessness operation of the farm equipment will be the responsibility of the operator to pay for.

Pitstick Farms promotes a drug-free and alcohol-free workplace and holds the right to conduct pre-employment drug testing if desired as well as to perform random drug testing periodically.

Employment Location:

Pitstick Farms, INC

14820 Charleston Chillicothe Rd
